

FAMILY SOUTH AFRICA SAFARI

Specially prepared for Custom Africa
January 11 – 20, 2017

DAILY ITINERARY

This is the quintessential family safari, visiting only malaria-free safari destinations, affording you the highest level of comfort while traveling with children of any age. And you have the unique perspective of experiencing your family safari on a fully private basis in private, five-star "bush homes" featuring a private staff from your safari guide to your chef. Highlights include the marine life of Cape Town, cheetah and rhino of Samara and the Big Five of Kwandwe Private Game Reserve!

DAYS 1–3: JANUARY 11–13, CAPE TOWN

Arrive Cape Town Airport today. Upon completion of immigration and customs formalities and baggage claim, you will be met in the arrivals hall by a Natural Habitat representative holding a signboard with your name. You will be transferred by private vehicle to your hotel, More Quarters Residence.

Redcliffe House is a private four-bedroom house in the heart of Cape Town's charming Gardens neighborhood. This residential area is just a five- to ten-minute drive from the well-known V&A Waterfront, iconic Table Mountain and other attractive sites, but it offers a completely private, luxury residence with full housekeeping and concierge services provided by the adjacent More Quarters. Redcliffe is a perfect vantage point for small families.

Located at the Southern tip of the African continent where the Atlantic and Indian oceans meet, Cape Town and the Western Cape are strikingly beautiful. At the foot of Table Mountain, the city of 3 million is a charismatic blend of cultures, renowned for its scenic setting, creative cuisine and world-class local wines. Outside the city, enjoy spectacular beaches, sheer sea cliffs along the Cape of Good Hope, and wildlife encounters from penguins to sharks.

Private half-day city and Table Mountain tour: You will be collected at your hotel on Day 2 for a privately guided half-day city and Table Mountain tour inclusive of bottled water, lunch and entrance fees for the Table Mountain Cableway, city tour and Two Oceans Aquarium. This tour is especially designed for your family.

Custom activity: You will be collected at your hotel on Day 3 for a privately guided full-day wildlife tour inclusive of picnic lunch and entrance fees for the Boulders Beach Penguin Colony, Cheetah Outreach and Eagle Encounters at Spier Wine Farm.

DAYS 4–6: JANUARY 14–16, SAMARA PRIVATE GAME RESERVE

You will be transferred to Cape Town Airport today for your scheduled flight (fare not included in safari cost) to Port Elizabeth, South Africa. Upon arrival you will be met by a representative and transferred by road to

Samara Manor House (approximately 3-hour driving time on good paved roads).

Samara Manor House is in the unique position of being a private bush home. Small groups of four to eight adults and children can exclusively reserve the home, which comes equipped with a friendly but unobtrusive staff, including a private guide, chef and butler. Samara's owners, Mark and Sarah Tompkins, built the house as their private residence on the site of a home dating back to the early 1800s. The house comprises four en suite bedrooms, each with a shower, twin sinks and free-standing bathtub. Meals can be enjoyed on the veranda, in a traditional boma, in the dining room or out in the bush. A cozy living area and veranda overlooking the Karoo Mountains provide ample space for relaxation. The 21-meter lap pool affords a cooling dip in the middle of day and leads the eye toward the water hole that hosts a menagerie of wildlife each morning and afternoon.

The goal of Samara was to reintroduce the cheetah to a habitat where they once thrived. Sarah and Mark Tompkins, owners of Samara, continue to expand their private game reserve with a goal of linking Samara, Mountain Zebra National Park and Cambedoo National Park, creating the largest wildlife reserve in South Africa. Cheetah are the prevalent predator here, while lion and leopard have not been introduced to the reserve, as they threaten the cheetah conservation. Rhino, Cape mountain zebra, giraffe and other plains animals are present and can be seen not only on 4x4 wildlife drives that cover vast areas of this nearly 67,000-acre private reserve, but also on walks where you can explore the four unique biomes that make up Samara - Nama Karoo, plateau grassland, savanna and thicket. Night safaris give the opportunity to seek aardvark, a famously shy and elusive creature that Samara has a particularly high incidence of sighting, especially in the winter months of July to September.

DAYS 7–9: JANUARY 17–19, KWANDWE PRIVATE GAME RESERVE

Transfer by road today to Kwandwe Private Game Reserve (approximately 4-hour driving time on good paved roads). Enjoy an afternoon wildlife drive after settling in to the lodge.

Kwandwe Melton Manor is a private safari villa offering the ultimate retreat for private groups with its four en suite bedrooms, a private courtyard and swimming pool, private safari guide and discrete staff. Distinctly South African, this private bush home features pieces of simple colonial furniture combine with up-sized, deep comfortable sofas while subtle wildlife and bush references embrace the local environment. A calm natural palette gives this contemporary house its character and tone. The use of textured fabrics and color layered with elements of wood, stone, pewter, ceramic, wicker, bespoke lamps and mirrors gives each of the four oversized suites a unique identity. Your bedroom offers a private refuge with a large veranda, enormous bed and a butler hatch for unobtrusive morning service. The generous bathtub invites you for a soak and the large windows look out over the sweeping expanse of the bushveld on all sides. Comfortable indoor and outdoor living areas are the perfect gathering places. In the interactive kitchen off the main living area, a personal chef will whip up delicacies and kid-friendly meals at whatever times suit your family.

As dawn breaks over the African bush, a gentle tap on your door will wake you to the pleasures of a new day. Your ranger will discuss what you hope to see that day over fragrant tea or coffee and morning biscuits or rusks. Set out in an open 4x4 safari vehicle in the company of a ranger and tracker team, who will attempt to track your favorite animals. Explore Kwandwe's diverse terrain in search of cheetah, black rhino or elephant. Another drive begins in the late afternoon and lasts until after dark, when spotlights are used for a glimpse into the nocturnal bush life. Spot the rarely seen porcupine, aardwolf or aardvark. Enjoy sundowners

in a scenic location as the sun slowly sinks beneath the horizon. Walks and child-specific activities are also available, and you have the flexibility of a private safari guide and vehicle throughout your stay.

DAY 10: JANUARY 20, DEPARTURE

Transfer by shared charter flight back to Port Elizabeth today (approximately 10 to 10:45 am flight time). Here you will board your scheduled flight to Johannesburg for departure (fare not included in safari cost).

Your safari adventure ends today in Johannesburg, South Africa.

Our goal is to provide you with an exceptional, life-enhancing adventure. To achieve that goal, our Expedition Leaders are empowered to make reasonable changes to itineraries while a trip is underway. These decisions might be made to more closely follow the movements of wildlife, to accommodate extreme weather, to take advantage of unexpected opportunities, or generally to improve overall guest experience. For this reason, the above itinerary should be considered a general outline of your trip, but it is subject to change. After all, the very definition of adventure is “an exciting or remarkable undertaking involving the unknown.”

AVERAGE CLIMATE DURING YOUR SAFARI

It is important to remember that the below information is based on general climate and weather patterns so the conditions during your visit could be quite different from what is listed below. Please check the current weather on the Internet (weather.com or wunderground.com) so you can be prepared for any unseasonable weather.

South Africa

January in South Africa is mid-summer and is characterized by hot, sunny weather—often with afternoon thunderstorms, though they clear quickly. The average temperature is approximately 70 F. Afternoons can be hot with average high temperatures reaching into the low to mid-80s F. Overnight temperatures are generally very mild with an average low of about 70 F. Raingear is recommended with lightweight layers to wear underneath—a lightweight, breathable waterproof rain jacket and rain pants, along with a short-sleeved shirt and shorts or zip-off pants for warmer midday temperatures. The Western Cape Province (including Cape Town) can be hot, dry and windy at this time.
